

# St Ippolyts CE (Aided) Primary School

A copy of this curriculum overview and the current homework plan is available on the school website [www.stipps.herts.sch.uk](http://www.stipps.herts.sch.uk) (under the 'For parents' tab)

## CURRICULUM INFORMATION Summer 2018

Class 4

Miss L. Gale

### ENGLISH

- Using the book 'Escape from Pompeii', we will be writing stories from different points of view.
- We will be looking in more detail about discussions and debating to share our viewpoints whilst accepting others.
- We will be looking at free verse poetry, rap and studying famous poets.
- We will also be learning about and writing non-fiction explanation texts.

### MATHS

- We will be working on place value and using these skills for sequencing and calculations.
- We will also be looking at shapes again but this time looking at angles!
- We will be learning about data and measure by reading, plotting and labelling graphs.
- We will look at multiplication and division using our times table skills and up to 3 digit numbers.

### SCIENCE

- We are learning about the classification and identification of objects and living things. We will conduct a local habitat study and learn how environment changes affect habitats
- We will also be learning about the digestive system of humans and teeth!

### RELIGIOUS EDUCATION

- For the first half term we will be discussing, debating and understanding the question 'How is life like a journey?, How do people mark significant events?'
- In the second half term we will be learning Hinduism and discussing the question 'Why do Hindus want to be good?' and we will be learning about the River Ganges

### COMPUTING

- We will be learning about authoring and using different computer software for the purpose of presentation. We will create our own presentations using PowerPoint and use the skills we have learnt such as: font sizes, backgrounds and borders, changing photos and hyperlinks

### HUMANITIES (History/Geography)

#### History

- This term we will be taking on the greatest battle of Class 4 - Ancient Greece VS Ancient Rome! Who had the biggest impact? Who had better transport? Who had the best food?

#### Geography

- We will be learning about map and fieldwork of our school and local area.

### ART / DESIGN

- This term we are doing artist study on Pablo Picasso. We will be learning about him as an artist and looking at his famous pieces of art. We will learn some new and varied techniques to try and recreate his most famous pieces.

### PHYSICAL EDUCATION

- We will be developing our skill and agility this term through tennis, understanding how scoring works and completing rallies and tournaments.
- We will also be looking at athletics including jumping, learning and testing different jumps and understanding the effectiveness of different techniques.

### MUSIC

- Linking to our History this term, we are following the story 'Heroes of Troy' through music this term. We will be listening and appreciating different music styles this term with lots of singing and rapping!

### PSHE&C (Personal, social, health education, and citizenship)

- We will be thinking about goals and aspirations this term. Setting goals, being persistent and achieving goals. We will also be learning more about our British Values such as tolerance and mutual respect.

### Additional information

- We are still reading in Class 4, please ensure you read every day and record it in your Home-School Contact Book - these will be checked on **Mondays**.
- Homework will be set on a Tuesday and due the following **Monday**.
- Spellings will also be set on a Tuesday and tested on the following Monday morning.
- PE kits need to be in school at all times as we will have PE twice a week this term.
- Please label all snack boxes and water bottles, we often have lots left over.

### Key dates
