5th November 2020

Dear Class 5 and 6 Parents,

AFTER SCHOOL CLUBS

As you know, the new coronavirus national restrictions start today, until 2nd December 2020.

Yesterday afternoon, the updated guidance for schools was released. Whilst the vast majority of the updates do not affect our current arrangements at St Ippolyts, one key change will impact our after-school clubs.

For the period of the lockdown, activities out of school hours are only permitted if they provide wraparound childcare. This means that we can continue with our Early Bird Club provision, but not our extracurricular clubs.

Therefore, after today we will be pausing our football and netball clubs. As we usually do not have clubs in the last two weeks of term anyway, **we will now not be offering clubs until after Christmas** (providing they are permitted again by then).

We do feel very disappointed that these activities will have to stop temporarily, but are equally pleased that we at least managed to get them up and running for the first half of this term. I know how much the children love attending school clubs and we will reinstate them as soon as we are able.

Kind regards,

R Peddie

Mrs RE Peddie
Headteacher
