

St Ippolyts CE (Aided) Primary School

Sponsored Skip!

Friday 6th November 2020 – National Skipping Day

Since the school closure in March, our amazing PTA have donated over £6000 which enabled us to buy a class set of Chromebooks in a trolley and handwashing stations for all the classrooms. However, all the PTA fundraising events could not go ahead, and it is highly unlikely we will be able to hold any big events (such as the Christmas Fair) any time soon and so the pot is running dry...

We are holding a **sponsored skip in school on Friday 6th November** to raise money for our school funds. Our event coincides with National Skipping Day (re-arranged from April) and is designed to enable children of all ages to take part. We are also going to make it an inter-house competition too to make it even more exciting! The children will be practising skipping in PE lessons, but it would also be a great thing to do at home over half term too. It's a fantastic way to keep fit and have fun!

On the day, each child will be timed to see how many skips they can do in a given time:

- Class 1 – number of skips in 1 minute**
- Class 2 – number of skips in 2 minutes**
- Class 3 – number of skips in 3 minutes**
- Class 4 – number of skips in 4 minutes**
- Class 5 – number of skips in 5 minutes**
- Class 6 – number of skips in 6 minutes**

Inter-house competition!

There will be two awards:

One for the House that raises the most money collectively

One for the House that completes the most skips altogether

What to do next: On the back of this letter is a sponsorship form for your child. We would be really grateful if they could collect some sponsors ahead of the event.

On the day, they will need to bring their sponsorship form back into school so that we can write the number of skips they completed on it. They will then bring the form home again to collect the money.

Thank you and Happy Skipping!

If the weather is unsuitable on the day, we will reschedule to the week after.
