

**Pyjama Day**  
**12th November 2021**  
**for Keech Hospice in Memory of**  
**Joshua Martin 01.01.21 - 01.09.21**

**Have you ever wanted to go to school in your pyjamas? Well, now you can!**

**In exchange we ask please could you donate £1 (if you feel you can give more, please do!) to Keech Hospice as every penny counts towards supporting life limited children and their families.**

Our brother Joshua was a brave boy. He became ill with meningitis caused by Group B Strep infection at birth, which left him with severe brain damage. He had many challenges every day, he fed by tube, he was always very cold, he had continuous seizures, he was blind and deaf. But he loved cuddles and we loved him to the moon and back and always will.

Keech Hospice was an amazing support to our family, they let us spend time with him at the Hospice when he was too poorly to come home, we made art work, played music, and spent time in their playground. Because of Joshua's disabilities we could not go out very often, so they looked after him so we could have a few days out. Without them we wouldn't have been able to make lasting memories with our brother, they helped make him more comfortable, and they continue to support us even though he is no longer with us.

**TOP TIPS!**

**Please remember that you will be wearing your pyjamas for normal school activities, (including outdoor breaks) so layers underneath are advisable. If you would like to bring slippers to wear inside only please do.**

We cannot wait for PJ day and we would like to  
Thank you all in advance for donating to this very important charity.

Love Felicity and Phoebe Martin
